**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW
2099**

I support that no 5G tower is built next to schools, sport areas, people's houses.
There is too little knowledge about longterm Negative health effects From those
frequencies and we need to protect our people and health 100%. So specifically no
tower To be built near the North Curl Curl netball courts.

Thanks
Ines
