**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

This is with reference to the wildlife corridor being destroyed at Bayview Golf Course. The matter no  
Is DA2017/1274 52 . Over the last couple of years since we have moved here its slowly become one of our favourite part of the beaches to visit as you can still see so many of the birds and animals that you dont see easily anywhere else at the beaches. B6 building the 95 appts you will not only destroy their habitat but also endanger these . There will be pollution , too many people wandering the bushlands and to be fair theres already enough being destroyed . This should remain one of those untouched places thats not destroyed by development and left for future generations to enjoy and actually understand what the beaches are all about.
