Dear Sir

**Additions and adjustments to 13a Ocean Road, Palm Beach**  
**Structural letter in support of section 96 application**

We have seen the 09-154 Rev E section 96 application drawings produced by Smith and Tzannes. We can confirm that these amendments do not have an impact on nor do they require us to change the existing reports/letters we made for the last DA submission last year.

For and on behalf of Tall Engineers Pty Ltd

Yours faithfully

Richard Addison
