**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW
2099**

I would like to state my strong objection to the proposed mobile phone tower on the Abbott Road Sports Field, adjacent to the newly rehabilitated and replanted northern bank of the Curl Curl Lagoon, which was funded by a State Government grant. This area is constantly used by local sports groups, school and community groups for sport and passive recreation. The North Curl Curl Public School is only a few hundred meters away, as is a general residential area.

This area is also part of highly valued green space, which was highly used and appreciated, and continues to be so during these Covid 19 uncertain times. So many people were using the park for their walking, exercise and fresh air during the recent lockdowns. A large unsightly mobile phone tower has no place in this green space. Quite apart from the obvious visual pollution is the consideration of of the health implications.

This is not the place for this mobile phone tower and associated structures.
