Dear Planning Panel

I was extremely disappointed to learn that approval has been given for the development of 351 Barrenjoey Road.

With just a little vision Robertson Road could be transformed into a pedestrian area with outdoor dining, live music and market stalls. It could become a true destination on the northern beaches and would be welcomed by the residents and visitors.

I hope you will reconsider this decision and look to the future of Newport and creating a vibrant town centre at Robertson Road.

Sincerely
Erica Martin
