**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Enough already with contributions to destroy our environment and wildlife for the sake of filling a handful of people's pockets.

We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development.

Don't contribute to this type of greed. It's unfair to us all, even more so, the next generation.
