RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

Dear Jordan, I repeat my opposition to this amendment of the application and refer you to my original submission of the 8/2/21.

Most importantly that the garage entrance on Robertson Road will forever destroy the possibility of establishing a pedestrian plaza on Robertson Road.

In light of the recent campaign to highlight Robertson Road, and involvement by NBC, our local State member, and the precinct owners, I encourage the applicant and NBC staff to continue negotiations so that the applicant join all stakeholders to develop the precinct as a whole.

Yours sincerely
Simon Barlow
