**RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100**

This development is not in keeping with the density of living in the area. Allambie Heights is almost completely a suburb of single dwellings. The public transport covers a limited area. This amount of parking is insufficient to service this number of apartments. These types of developments are a loophole for developers to make a lot of money at the expense of surrounding residents. We live close by to high density suburbs such as brookvale and Dee why, these areas have much better services and transport. High density living should be kept to specific areas.
