**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

By every measure this is an appalling proposition, but especially on that of survival of unique species who are totally at the mercy of we humans who have the brains to understand the impact of our actions, but in too many cases put the goal of massive profit before humane considerations.

Please do the right and just thing and cancel this atrocity for good.

Thank you,  
Alfred May.
