RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

"We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development.

We also object on the follow grounds:

- The original intention of the land should remain as open space.
- Size & bulk of the proposal is too large. This is an over development which will have adverse impact on the surrounding area.
- Clubs & organisations that are given favorable treatment by the community should not be allowed to sell off open space land for a profit or due to their financial mismanagement.
