RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Dear Assessing Officer,

I am writing to you concerning the Highest Priority Wildlife Corridor in Bayview where the proposed development of 7 apartment buildings threatens many vulnerable species and the biodiversity of the region. Despite overwhelming community objections, despite council rejecting this development and despite the Sydney Planning Panel refusal and despite 62,000 people who want this development stopped the developers have lodged an appeal and new plans have been submitted by the developer in the Land and Environment Court.

I vehemently oppose this unwise development.

Please do all you can to prevent this going ahead.

Warm regards

Linda Pratt.
