**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Please reject development in the Bayview wildlife corridor.  
The amended plans are still a threat to our wildlife and must not proceed.  
Our wildlife is fighting a losing battle against development and our bio-diversity will suffer from loss of habitat, as well as roadkill and domestic pets. Our Federal and State Governments seem to prioritise short term financial gain (just recently marine park backflipping & land clearing increases) over our long term bio-diversity.  
Please stand up for our precious wildlife and protect it for future generations!
