RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development. Council's must make some responsible decisions and keep our environment intact. Property developers are out to make money and don't care how they destroy the land. We are caretakers of the future and this cannot be allowed to happen in the name of money.
