Dear Council... I am writing to approve of the proposed development by Bayview Golf club for the development of the Golf Course and Seniors Housing DA2017/1274.

I feel the development should proceed due to the fact that we have a rapidly aging population on the northern beaches and quality accommodation will raise the standard of all this type of housing in the area to a higher level. The drainage and new course design will also alleviate flooding of the course and surrounding areas.
