Re: Name: Bayview Seniors Housing and Golf Course
My name is Robert Higgins and I live at 54 Marine Parade Avalon
Please be advised that I support the Waterbrook development at Bayview Golf Course. Given the correct controls I believe a sympathetic development will be a positive for the area given the amount of retirees wishing to downgrade their dwelling size. Not everyone wishes to live on a main road, and this development will add further choice for those in question

Regards

Kim Higgins
