RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

The curl curl netball courts & surrounding area is an importing space for our community. Many children and adults use this area to play sports & be physically active. Our communities health and well-being depends on having spaces like this for future generations, and this should not be compromised by the likes of a big Telco that's hungry for money and has no care for the detrimental damage their infrastructure will cause to our community. I urge you to put our communities interests first for the sake of all of us and our future generations - we need to care for our planet otherwise no one will.
