To the planning panel and member of parliament

As a local resident of Newport I completely oppose the development of 351 Barrenjoey rd, DA2020/1756 for the following reasons:

- The design is not in keeping with the aesthetics of the local environment. It will have a undesirable effect on the local streetscape of Newport.
- The Robertson rd appeal which allows the community to come together especially in times of stress like we have encountered this year will be in jeopardy with the garage access to the development limiting the ability to close the street for future community gatherings.
- There has been a lack of community consultation with this DA which is completely disgusting and the lack of interest in the communities needs vs the developers is evident

Kind Regards
