RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I wish to lodge a protest against DA1274/2017 due to the negative impacts this proposed development would have on both local and migratory wildlife. The proposal is not sustainably viable and seriously adversely impacts the natural environment and accompanying wildlife corridors which are vital to ensuring the safe navigation of wildlife throughout the area to habitat, food sources, water and nesting sites - all of which will be destroyed should this proposed development go ahead.
