RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Refer DA1274/2017 - 52 Cabbage Tree Road, Bayview

ENVIRONMENTAL and INFRASTRUCTURE CONCERNS with this proposed/
revised proposal.

Stop destroying what makes the northern beaches so special.

This proposal will destroy the natural flora and fauna of the area. And all put
additional pressure on roads, schools, supermarkets, parking and medical services.
It's disgusting that this revised proposal is even being considered.

This is green area that should be preserved. We don't need any more retirement
homes or residential properties. Keep Bayview as is please. WE DONT WANT TO
BECOME ANOTHER DEE WHY.
