RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development. Australia has one of the highest Flora and Fauna extinctions in the world. High priority should be given to threatened ecosystems.
