**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I strongly object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this development.

What is wrong with you people?

Continuous destruction of natural environments only leads to one outcome... species extinction and the collapse of our eco-systems.

Seriously... why would you even consider such appalling action unless there was corruption involved?
