RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development. This is not an appropriate development for this biodiversically sensitive area and must not be sacrificed for the sake of so called development. I therefore urge that this approval be rejected.
