RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development. Although we don't live in this council area, we are absolutely horrified that a development of ANY size would be allowed in this wildlife corridor. It's just so wrong. We need these corridors more than ever because our wildlife is being forced to extinction by human development
