RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

Hello,

Having lived in Newport for the last 35 years I so appreciate the wonderful village community we have. Robertson Rd precinct is the central part of our community. All of the businesses in Robertson Rd are very community minded and bring so much needed business and life to our wonderful suburb.

Please don't allow any development of this area and maintain for not just now but for the future generation.

Thank you,
Lyn Newman
