RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

To whom this may concern. As a wildlife carer I am appalled that the wildlife in and around Sydney is constantly being pushed out of their homes as their habitat is being destroyed by greedy money hungry developers. Our wildlife is unique and already vulnerable. We need to protect our wildlife not destroy it. Australia has the highest rate of animal extinction in the world. That is SHAMEFUL! Do not destroy this wildlife corridor, yet another in Sydney.
