RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Please reconsider, I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this development.

Too many greedy corporations are developing where wildlife is vulnerable, you are the only ones that can stand up for these animals - you are their voice. Please please reconsider.
