RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Dear Assessing Officer,

There is no justification for the government to even consider allowing such a development in a wildlife corridor at Bayview. This application is outrageous and should never have been accepted. We have few areas designated in Sydney for the safe passage of our unique wildlife. Whoever is involved here as a developer is ignoring this. No government densification policy could ever justify this destruction of a reserve for unique creatures. This would contribute to the destruction of Sydney, not its survival.

NO NOT HERE, IN FACT FOR SUCH A GROSS DEVELOPMENT - NOT ANYWHERE!!! !!!!!
