RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

If you read "THE DEATH OF THE WEST" - you will find that well known scientists have found that over the last 2 THOUSAND years, all the civilizations even advanced ones have disappeared because of 2 simple happenings. DE-AFFORESTATION,, AND OVER POPULATION!!!

That's what we are doing to our beautiful planet. Leave the WILDLIFE CORRIDOR" or you and your grandchildren will live to regret it!!!
