RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

"We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development." Can't believe it is so easy for a developer to ignore 59000 signatures and then make a few changes to his/her plans and be entitled to lodge again with no reference to the previous objectors. System needs an update.
