**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife & coastal corridor, home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development. If this development goes ahead are you planning on relocating the many species that will be affected by this development?
