RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

I object to the construction of this 32 bed dwelling, as there are only 7 car spaces, which means there is a potential for 25 extra cars using the street for parking in an area that is single dwelling homes with families. The street parking in the area is at a premium due to the topography of the area where some homes do not have off street parking , the local school bus can only just manage to fit passed the local cars parked now.

This is a family area and I believe this type of dwelling is out of character with this area.
