RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Please reject this new proposal on the grounds that previously disqualified it. This development should not be approved in this precious wildlife corridor. The development is excessive in height and bulk. It is not appropriate development under Councils own planning laws or State laws.

The impact on wildlife, local amenities, roads, traffic and population congestion make this development inappropriate in the area and the appeal should be denied.
