**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

dear assessing officer,  
we are losing too many of our precious flora and fauna. Australia's reputation as the world's leading destroyer of wildlife continues. please consider our non humans.

we non Indigenous Australians have ruled over this continent without any thought for those who have been living here in harmony and respect of the land for two hundred and thirty years. we need to stop and take stock of our actions. we are damaging the environment by our thoughtless greedy actions.

sincerely,

trisha mcdonald
