**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW
2099**

I am very concerned about having a new mobile tower built in the area of Curl Curl. My concerns are related to the safety of the signal being emitted to the human and animal life and wellbeing. Also, Curl Curl Lagoon should be preserved the way it is and regenerated with native plants and landscape instead of developing further. I am opposed to this construction!
