RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development." I would like you to cancel this development proposal DA by the Regional Panel for SEPP Seniors Housing in the Bayview Wildlife Corridor on many significant grounds including Substantial and Adverse impacts on the environment and despite overwhelming community objections and over 60,300 signatures, I may not live in the suburb but the over development in Sydney is destroying our wildlife. Please protect.
