RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Even though I live in Victoria, I feel it is necessary to protest this development. Please say "NO" to this project lest, one day, there'll be no space left for our unique wildlife. I know what it is like to lose one's home to a project deemed to be necessary at the time. Therefore I can sympathize with the animals that will lose their home should this go ahead.
