RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

I object to the proposed development on the following grounds:

1) the on-site car parking is absurdly inadequate for the potential number of residents (excluding the effects of visitors), which will mean that residents will have no choice but to use street parking which is already limited, this will have a negative effect on the adjacent streets and residents

2) the development is inconsistent with the existing zoning for the suburb (it's not even close) - 36 units in a site where perhaps two free standing houses (at the most) could be situated is totally inappropriate

Sincerely
J Wylie
