**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I am writing to object to the approval of DA1274/2017

That is.... to object to the proposed 7 apartment, 85 unit development in the middle of a designated, high-priority, wildlife corridor.

This is Biodiversity land which many vulnerable species currently call home and this massive over-development would destroy all that. That's why this DA was already refused because of 'the substantial and adverse impacts on the environment.'  
Yet, despite overwhelming community objections and over 60,300 signatures, an appeal has been lodged and NEW plans submitted by the developer in the Land and Environment Court.

I am asking that it please be rejected again.... for the same reasons it was rejected the first time.
