GROUNDCOVERS

EXISTING TREES shown as lightly dotted lines

Auracaria heterophylla Norfolk Pine

TREES TO BE REMOVED shown as heavily dotted lines

Phoenix canariensis Canary Island Date Palm
Livistona australis Cabbage Palm (relocated on site)

EXISTING TREES shown as lightly dotted lines

Existing A. heterophylla (Norfolk Pine)

Massed L. longifolia

H. scandens spillover

Pandanus pedunculatus

H. scandens spillover

Massed W. fruticosa

B. integrifolia (Coast Banksia) x3

Syzygium paniculatum 'Dwarf' hedge

Cordyline 'Sundance' x3

Xanthorrhoea arborea (Grass Tree) x3

Xanthorrhoea arborea (Grass Tree) x3

H. scandens (Snake Vine) massed

Rhoeo sp massed

Existing Livistona (to be relocated)

Existing Phoenix Palm (to be removed)

Super advanced Livistona x3

L. hystrix massed
