## Message from the Mayor

Each financial year Council prepares a carefully considered program of initiatives and projects with a commitment to improving our community.

This Budget and Delivery Program focuses on resilience and sustainability, prioritising the projects and services that support and strengthen our community and environment.

Our area is increasingly facing wild weather events causing local flooding, coastal erosion, road closures and other damage. To ensure we are best placed to manage these events and do everything we can to protect our community, we continue to implement our Resilience Strategy.

Within this is the Northern Beaches Recovery Plan, developed over two years, which looks at how we strengthen partnerships with government and non-government organisations to lead and support community recovery following natural disasters.

We have set aside over \$10.1 million to continue to maintain and upgrade our extensive stormwater network along with \$3.8 million to continue the coastal protection works at Collaroy. One of our most significant projects will be the works to reduce the frequency of flooding on the Wakehurst Parkway.

This complex, multi-million dollar infrastructure program is designed to reduce flood disruption to motorists on this important corridor. Over \$21.6 million will be invested in our roads network and transport infrastructure.

Over the coming financial year, we will also invest \$99 million on capital works, with two thirds of the budget allocated to parks, recreation, cultural facilities, roads, and transport.

This includes critical structural repairs to Whale Beach and Mona Vale rockpools and new and upgraded boardwalk at Manly Dam and infrastructure on the Spit to Manly walk.

We're excited to be at construction stage for the new Warriewood Valley Community Centre, kicking off the upgrade of the Warringah Recreation Centre and developing a new pedestrian and cyclist bridge at Queenscliff.

We'll be implementing our new waste strategy, trialing circular economy initiatives for reuse, repair and recycling of household items and implementing other measures to work towards our goal to help the community reduce household waste by 10% by 2030 and by 20% by 2040 .

Our commitment to affordable housing continues with requirements for affordable housing in our Local Environmental Plans and seeking 10% affordable housing in new developments wherever land is re-zoned for additional density.

While these continue to be challenging times for many facing cost of living pressures, as an organisation we are also encountering the impact of inflation on the cost of services and maintaining facilities. Preserving a fine balance across multiple priorities is key to serving our community and we welcome your ongoing feedback as we develop strategies and plans to support our community.

If you are a ratepayer and experiencing genuine hardship, please get in contact as support is available under Council's Rates and Hardship Policy.

I look forward to seeing the implementation of our Delivery Program and Operational Plan.

Mayor

## Message from the Chief Executive Officer

This Budget, Delivery Program and Operational Plan provides the community with a complex plan for the next financial year and the following three years.

It demonstrates how we will address the outcomes and goals outlined in the Community Strategic Plan, developed in consultation with our community, focusing on our environmental, social, economic and civic priorities.

It seeks to future-proof both community and Council infrastructure, while continuing to provide a number of large community focused initiatives to further enhance life on the Northern Beaches.

We regularly review our diverse range of services to ensure they are meeting local needs in terms of timeliness, quality, and cost of service and in 2024/25 we will continue to undertake service reviews as per our agreed program.

The huge project to update our Local Environmental and Development Control plans will deliver a consistent approach across the local government area, protecting heritage and environmentally

sensitive areas with detailed planning and design guidelines. Extensive community consultation will launch this financial year to ensure these critical documents are in line with community expectations.

As with all large service-based organisations, we rely on our internal systems to be able to support and serve our community as efficiently as possible. This financial year we embark on a major technology program to upgrade, simplify and improve our core operating systems. The program extends over three years and involves decommissioning of legacy systems that will soon be unsupported and relocating our core systems from on premise to the cloud.

Like many councils in NSW, Northern Beaches Council is facing growing pressure to its financial sustainability as increases in rates income, under the NSW rate peg system, have not reflected the rising costs of labour, materials, contracts, and construction.

While our 2024/25 budget forecasts an operating deficit before capital grants and contributions of \$5.1 million, our Long-Term Financial Plan will explore

options to address this imbalance and strengthen our financial capacity.

Our community is at the heart of everything we do, and I have the utmost confidence in our staff and councillors to reach new milestones and celebrate many more achievements for the Northern Beaches in the years ahead.

In September 2024 our community will have the opportunity to vote for their representatives for the next four years in the local government elections. Our current Councillors have progressed a huge number of community initiatives and projects over the last three years and I thank them for their leadership, passion and commitment to our community.

## Our organisation

### **Purpose**

Partnering with the community to protect, improve and create our future.

### **Structure**

Northern Beaches Council is divided into five directorates.

# Our Delivery Program

## Introduction to the Delivery Program

Council's Delivery Program is an important component of the legislated Integrated Planning and Reporting Framework for councils in New South Wales.

The framework (shown in Figure 1) provides a foundation for Council to undertake long-term planning based on community engagement and resourced by robust plans for finances, assets and workforce.

The primary document in the framework is the Community Strategic Plan (CSP), which holds the community's priority outcomes and goals, along with strategies to achieve these. The CSP is informed by federal, state and regional strategies and plans, as well as other Council strategies and plans. It is not limited to Council operations; it covers all stakeholders that have a role to play in achievement of good outcomes for the Northern Beaches, including all levels of government and the community.

The Delivery Program sits at the heart of our operations. It responds to the goals of the Community Strategic Plan and to other Council strategies and plans. The Delivery Program is also influenced by the Resourcing Strategy, which sets out how our finances, assets and workforce will resource what Council provides.

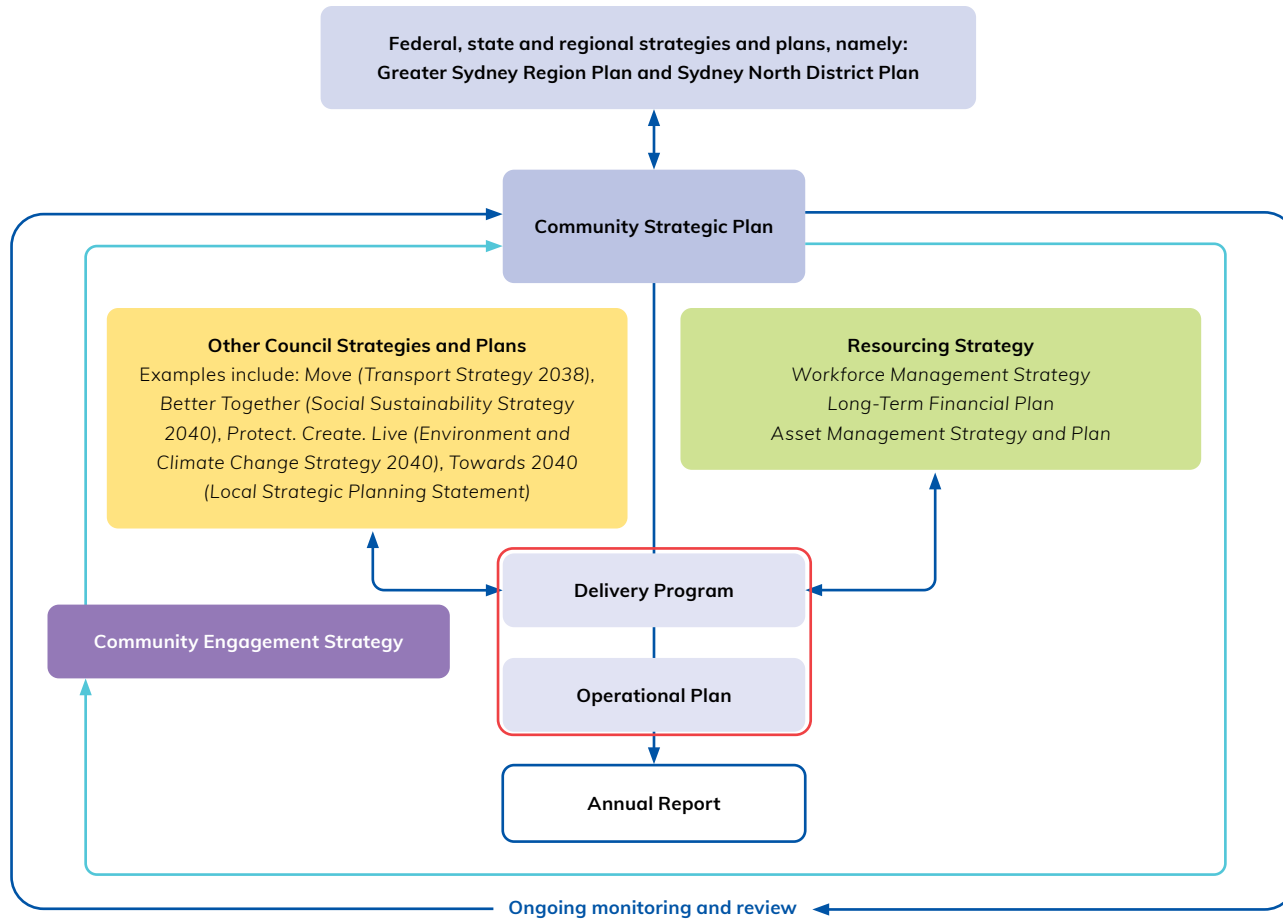

Following every general Council election, the Local Government Act 1993 requires councils to prepare a four-year Delivery Program to put the community outcomes and goals from the CSP into action. The Delivery Program is revisited every year to ensure that it is current.

Embedded within the Delivery Program at Northern Beaches Council is a one-year Operational Plan and Budget that details actions to take place in that year of the program.

Progress is reported each quarter, as well as annually on the Operational Plan. Following an ordinary election, a report on the implementation of the CSP called the State of our Region Report is presented to the new incoming council.

**Figure 1**  
Integrated planning and reporting framework showing where the Delivery Program and Operational Plan fit

### Resourcing our Delivery Program

The Resourcing Strategy is vital as it ensures that Council has capable people, well-managed finances and assets to achieve the Delivery Program commitments, and the longer-term CSP goals underpinning them.

The Resourcing Strategy is reviewed following each local government election and is comprised of three interrelated elements:

- Workforce Management Strategy shapes the capacity and capability of our workforce to deliver quality services and outcomes for you
- Asset Management Strategy and Plan set out how we will maintain our facilities and other assets and create new ones. Given significant weather events over the last couple of years the Asset Management Plan is being revised to look towards impacts on longer-term asset management
- Long-Term Financial Plan, which is revised annually, enables us to deliver services and build financial resilience to be able to withstand future shocks.

The Resourcing Strategy plans ahead for the next 10 years, anticipating the changing demographics and needs of our community, along with other trends and challenges that may impact the services we deliver. The annual Budget is also underpinned by each of the elements of the Resourcing Strategy.

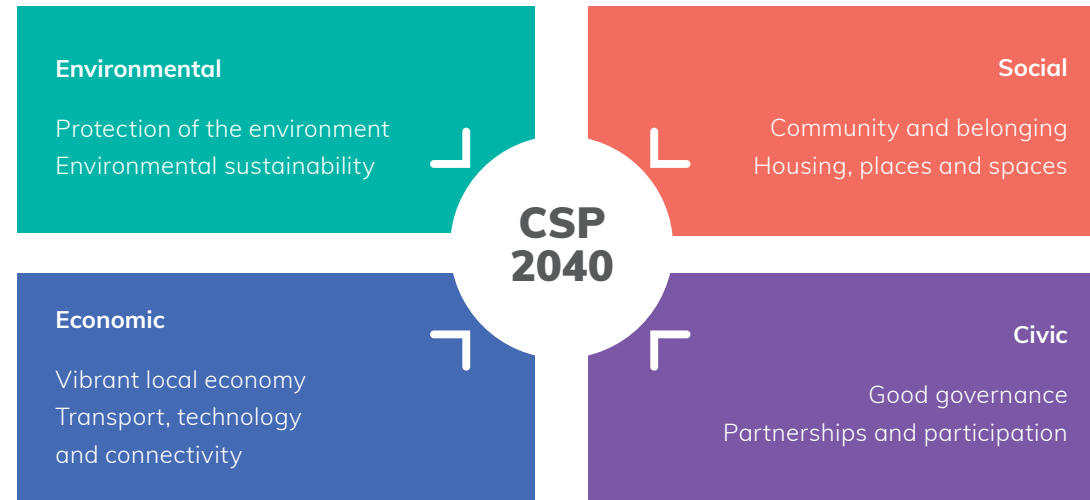

## Addressing the Community Strategic Plan outcomes

The CSP has eight outcome areas. The outcomes address the environmental, social, economic and civic priorities of the community, commonly referred to as the 'quadruple bottom line', with a series of goals for each.

This section shows how we will address these outcomes and goals over the next four years. Under the environmental, social, economic and civic priorities it shows Council's key services contributing to the achievements.

There are 16 key services of Council. Each has a service page, which details the principal activities – ongoing services, capital and operational projects that address a variety of CSP goals.

The Delivery Program is influenced by community engagement activities such as the review of the CSP, community satisfaction surveys, feedback on the draft Delivery Program and other engagement on specific projects.

Addressing the Community Strategic Plan goals

**Service information**

This service delivers programs to protect and preserve bushland and waterways, manage natural hazards, and improve sustainability for Council and the community. Each year, thousands of community members take part in education and action at our two environment centres at Manly and Narrabeen.

This service is also responsible for leading the implementation of the following strategies and plans, endorsed by Council:

- Resilience Strategy
- Environmental and Climate Change Strategy
- Climate change action plan
- Bushland and biodiversity action plan
- Coast action plan
- Waterways and catchments action plan
- Environmental education and sustainable living action plan
- Narrabeen Lagoon Entrance Management Strategy
- Management plans for coastal zones, reserves, local priority weeds, bushfire risk, floodplain risk, threatened species, and stormwater assets.

## Kimbriki Resource Recovery Centre

Supporting CSP Goals:

G4

G6

G22

### Service information

Kimbriki aims to deliver long-term reliable, responsible and sustainable waste management and recycling services to the local community. It receives over 300,000 tonnes of material on site each year and around 80% of this is recycled. There are approximately 5,000 visits each year to the Eco House and Garden for education on sustainability, and 12,500 visits to the Buy Back Centre which sells salvaged building materials and furniture. Kimbriki's social precinct, The Hub, provides workspaces for not-for-profits and charities that promote reuse and recycling.

### Responsible business unit

### Service information

Supporting our vision for a safe, diverse, inclusive and connected community through leading and enabling a wide range of community, social and creative initiatives. The activities of this service build social capital, community resilience and enhance the wellbeing of the Northern Beaches community.

We work to support and strengthen communities and the social and cultural sectors through the facilitation of programs and services that build the capacity of the community, with a focus on priority populations that include older people, young people, people living with disability, LGBTQIA+ and multicultural communities.

Our community centre, cultural facilities, arts and cultural programs, regional art gallery and museum and performing arts centre provide opportunities to contribute and participate in cultural activities that bring people together for a rich social and cultural life.

This service is also responsible for the implementation of the following strategies and plans:

- Better Together Social Sustainability Strategy

# Budget 2024/25

## Overview

In June 2023 Council adopted its Long-Term Financial Plan which outlined challenges impacting Council's ability to generate sufficient funds to provide the levels of service and infrastructure agreed with the community into the future.

Prior to the COVID-19 pandemic, Council was in a robust and financially sustainable position, with merger savings exceeding the state government's estimates. This enabled Council to invest in services and community infrastructure while paying down the debts of the former councils.

Since this time Council has been impacted by significant events that required reprioritisation of funds (\$41 million cost), seven natural disasters (\$14 million cost) and an increase in the Emergency Services Levy (\$3 million per year). At the same time inflation increased by 16.8% over the last three years – more than double the 7.2% increase in rates income <sup>1</sup>.

Councils across the state are experiencing similar issues and this has led to both the federal and state governments announcing inquiries into financial sustainability issues impacting local government. This includes exploring the impact of the rate peg, cost shifting from other levels of government and changing infrastructure and service delivery obligations.

Council's 2024/25 budget projects a total expenditure of \$524 million, including a capital works program of \$99 million.

The budget includes \$43 million in asset renewal expenditure to improve the overall condition of our assets and a further \$56 million to deliver high priority new assets to the community.

The budget forecasts an operating deficit before capital grants and contributions of \$5.1 million, which includes a \$12.1 million investment in replacing Council's core enterprise systems. A further \$2.1 million in loans will be repaid and a new \$10.45 million loan will part-fund the Warriewood Community Centre project.

While the budget is balanced, Council is not anticipated to meet the Office of Local Government's financial and asset performance benchmarks due to the deficit operating result and depreciation outpacing expenditure on renewing assets.

The Long-Term Financial Plan explores options to strengthen working capital and provide capacity to address the unfunded asset renewal and maintenance requirements of the Asset Management Plan.

### Definition of funding sources

- Rates and annual charges: rates are a property-based tax levied on the owners of properties to fund local services. Annual charges recover the cost of providing the domestic waste collection service from property owners along with a contribution to stormwater management services.
- User charges and fees: includes charges levied for the use of our facilities and services, for example aquatic centres and childcare.
- Other revenue: includes rebates, merchandise, events, food and beverage sales, licences, fines and sundry income.
- Grants and contributions – operating purposes: monies received from state, federal and community sources for the purpose of funding programs within the organisation such as the Financial Assistance Grant.
- Grants and contributions – capital purposes - monies received from state, federal and community sources to fund capital works including development contributions.
- Interest and investment income: interest earned on monies invested and overdue rates and annual charges.
- Other income: lease income.
- Gains on disposal of assets: surplus from the disposal of assets such as land and buildings, vehicles, plant and equipment.
- Interest and investment income: interest earned on monies invested and overdue rates and annual charges.
- Other income: lease income.
- Gains on disposal of assets: surplus from the disposal of assets such as land and buildings, vehicles, plant and equipment.

### Rating structure

The total income that can be raised from levying rates on property is capped by the state government based on a determination by the Independent Pricing and Regulatory Tribunal (IPART).

IPART determined that general income from rates in 2024/25 may be increased by a maximum of 4.9%.

Rate assessments will be based entirely upon property valuations (ad valorem) but with minimum rates applying where appropriate.

Rates for 2024/25 will be assessed on land values having a date of 1 July 2022.

The increase allowed by IPART relates to general income in total and not to an individual ratepayers' rates. Individual rates are also affected by other factors such as changes in land valuations determined by the NSW Valuer General. As such, rates for individual ratepayers may vary by more or less than the percentage allowable, depending on how an individual ratepayers' land valuation has changed in a particular year compared to the land values of other ratepayers.

The ad valorem rate, the minimum rate and anticipated revenue for residential, farmland, business and business sub-categories, is set out in the following pages of this document.

## Special rate variation:

### Pittwater environmental infrastructure levy

In June 2011 the Independent Pricing and Regulatory Tribunal (IPART) approved the former Pittwater Council's application for a special rate variation (SRV). This resulted in an increase in rates over three years (2011-2014).

The funds support additional infrastructure works and environmental programs. A 10-year Community Contract was established to ensure accountability and transparency over the financial years 2011/12 to 2020/21.

The SRV was levied and spent based on the community contract's following principles:

- upgrade and retrofit infrastructure through carefully targeted, high priority 'on ground works'
- schedule of projects to be incorporated into Pittwater Council's annual Delivery Program
- funding derived from the SRV will be distributed across the program of works over the 10-year period
- Pittwater SRV will also support 'seed' funding within the works program
- funding proportions may vary from year to year to achieve economic efficiency through the pooling of funds
- reporting to be undertaken to ensure transparency.

The final project under this community contract is:

## Stormwater Management Services Charge

A Stormwater Management Services Charge funds a program of additional investigations and activities to improve stormwater quality, manage stormwater flows and flooding, and harvest and reuse stormwater.

It is generally levied on urban land that is categorised for rating purposes as residential or business, excluding vacant land. The applicable charges are:

### Stormwater Management Services Charge

Land category / dwelling	Charge \$
Residential - single dwelling	\$25.00
Residential - strata lots	\$12.50
Business	\$25.00 per 350 square metres (or part thereof) for land categorised as business (excluding strata lots)
Business - strata lots	\$5.00 or the relevant portion of the maximum annual charge that would apply to the strata scheme, if it were a parcel of land categorised as business
<b>Total income \$'000</b>	<b>2,208</b>

## Statutory information

### Rate reduction for eligible pensioners

The *Local Government Act 1993* provides for eligible pensioners to receive a rate reduction of 50% of their total rates, up to a maximum of \$250.

Council's Pensioner Rates and Charges Concession Policy grants an additional voluntary rebate for eligible pensioners under the accepted retirement age, and certain classes of pensioners who have reached the accepted retirement age. A rebate of \$71.60 for waste management and \$150 on rates are available to eligible pensioners.

### Works by Council on private land

Under *Section 67 of the Local Government Act 1993*, works on private land may be carried out either on request or agreement with the landowner, or under relevant legislation. The amount or rate to be charged will be the appropriate commercial rate, i.e. the actual cost of the works and standard on-costs to provide full cost recovery plus a return to Council.

### Section 611 charges

Under *Section 611 of the Local Government Act 1993* an annual charge is proposed to be levied on the person for the time being

in possession, occupation or enjoyment of a rail, pipe, wire, pole, cable, tunnel or structure laid, erected, suspended, constructed or placed on, under or over a public place.

The amount of the charge is determined following an independent auditor's review of the annual assessment of mains for the previous year ended 31 December carried out on behalf of the Local Government NSW Association.

### Financial Hardship Policy

Council's Rates and Annual Charges Hardship Policy supports the effective and efficient collection of the rates and annual charges due to Council, while being responsive and supportive to those ratepayers who are suffering genuine financial hardship.

### Interest charges on overdue rate

Interest charges on unpaid rates and charges will accrue daily at the rate set for the 2024/25 year by the NSW Government. In accordance with *Section 566 of the Local Government Act 1993*, the maximum interest rate for the 2024/25 year is 10.5% per annum.

### Schedule of fees and charges

Fees and charges encompass the following:

- Regulatory functions of the Council under the *Local Government Act 1993, Chapter 7*
- Services provided on an annual basis under s501, such as waste management services prescribed by regulation
- Charges for actual use of a service s502
- Fees for any service provided s608
- Annual charges for use of public places s611.

The fees and charges reflect our pricing methodology and are available on Council's website in a separate booklet.

In determining the pricing structure, the types of services, products or commodities have been assessed in relation to current charges, GST and inflationary costs. Pricing structures provide revenue from particular services but consider public accountability issues and community service obligations.

### External borrowings

External borrowing is proposed in 2024/25 to part fund the construction of the Warriewood Community Centre.

External loan 2024/25	\$'000
Warriewood Valley Community Centre	10,450

Refinancing of an existing loan which has an initial 10-year term will also be undertaken. The residual at maturity of the initial term was based on repayments over a term of 20 years. The refinancing of this loan is consistent with the loan documentation and planning undertaken at its initiation and was endorsed by Council at their meeting on 27 June 2023.

Refinance external loan 2024/25	\$'000
Former Manly Council Loan CBA 48	2,400

An internal loan from the Mona Vale Cemetery Internal Cash Reserve was endorsed by Council at their meeting on 27 June 2023 to part fund the Enterprise Resource Planning system replacement. The loan will be repaid to this internally restricted reserve over 10 years with the equivalent interest the funds would have earned over the same period:

Internal loan 2024/25	\$'000
ERP Project – internal loan from the Mona Vale Cemetery Internally Restricted Cash Reserve	2,400

### Community grants

The Council partners with the community and businesses to deliver projects and programs that build the social, cultural, environmental, and economic life of the Northern Beaches and further the achievement of the outcomes and vision of Northern Beaches Community Strategic Plan. Financial assistance is provided through grants and subsidies under s356 of the Local Government Act 1993.

The proposed expenditure on financial assistance in the 2024/25 financial year is:

Community Grants 2024/25	\$
Community development grants	120,000
Community library grants	128,713
Community social services financial assistance	269,440
Surf lifesaving subsidies	259,474
Arts and creativity grants	110,000
Eco-Schools grants	10,000
Environmental grants	50,000
Community event grants and sponsorship	200,000
Placemaking grants	20,000
Local Heritage Fund grants	12,500
Sport and recreation youth and infrastructure grants	13,149
Sports club capital assistance program	100,000
Charitable or not-for-profit community organisations waste disposal at Kimbriki	16,000
Collaroy-Narrabeen coastal protection works on private land	600,000
<b>Total</b>	<b>1,909,276</b>

Resources are also available on the [Council's website](#) to help organisations and community groups seeking and applying for grants funding.

<b>Budget Performance</b>								
<b>Operating Performance Ratio</b>	> 0%	4.5%	4.5%	1.1%	(1.3%)	(2.5%)	(0.8%)	0.5%
measures the extent to which a council has succeeded in containing operating expenditure within operating revenue.		✓	✓	✓	✗	✗	✗	✓
<b>Own Source Operating Revenue Ratio</b>	> 60%	82.5%	84.6%	87.9%	87.9%	90.0%	92.2%	93.1%
measures fiscal flexibility. It is the degree of reliance on external funding sources.		✓	✓	✓	✓	✓	✓	✓
<b>Operational Liquidity</b>								
<b>Unrestricted Current Ratio</b>	> 1.5x	1.90x	1.92x	2.17x	2.30x	2.09x	1.81x	1.95x
represents a council's ability to meet short-term obligations as they fall due.		✓	✓	✓	✓	✓	✓	✓
<b>Rates, Annual Charges, Interest &amp; Extra Charges Outstanding Percentage</b>	< 5%	3.6%	3.6%	3.5%	3.5%	3.4%	3.5%	3.4%
expressed as a percentage of total rates and charges available for collection in the financial year.		✓	✓	✓	✓	✓	✓	✓
<b>Cash Expense Cover Ratio</b>	> 3mths	5.6mths	6.1mths	5.7mths	4.6mths	3.8mths	3.7mths	3.7mths
liquidity ratio indicates the number of months a council can continue paying for its immediate expenses without additional cash inflow.	N/A	✓	✓	✓	✓	✓	✓	✓

<b>Liability and Debt Management</b>								
<b>Debt Service Cover Ratio</b>	> 2x	7.3x	7.7x	9.9x	10.9x	8.4x	12.5x	12.7x
measures the availability of operating cash to service loan repayments.		✓	✓	✓	✓	✓	✓	✓
<b>Asset Management</b>								
<b>Building and Infrastructure Renewals Ratio</b>	> 100%	112.7%	130.8%	103.0%	98.1%	100.1%	96.1%	93.1%
assesses the rate at which these assets are being renewed against the rate at which they are depreciating.		✓	✓	✓	✗	✓	✗	✗
<b>Infrastructure Backlog Ratio</b>	< 2%	1.53%	1.49%	1.64%	1.63%	1.64%	1.66%	1.68%
ratio shows what proportion the infrastructure backlog is against the total net carrying amount of a council's infrastructure.		✓	✓	✓	✓	✓	✓	✓
<b>Asset Maintenance Ratio</b>	> 100%	100.6%	109.7%	99.6%	92.5%	92.5%	92.6%	92.6%
ratio compares actual versus required annual asset maintenance. A ratio of above 100% indicates that the council is investing enough funds that year to halt the infrastructure backlog from growing.		✓	✓	✗	✗	✗	✗	✗
<b>Cost to bring assets to agreed service level</b>	N/A	1.26%	1.22%	1.35%	1.35%	1.36%	1.38%	1.40%
ratio shows what proportion the infrastructure backlog is against the total gross replacement cost of a council's infrastructure.		✓	✓	✓	✓	✓	✓	✓
