**RE: DA2024/1303 - 11 / 0 Melwood Avenue FORESTVILLE NSW 2087**

I do not want the development to continue if it results in more gambling machines in our community. I work on the National Gambling Self-Exclusion Register (Betstop) and see the devastating impact of gambling every day. If a redevelopment of the RSL requires the increased revenue from gambling then I'd suggest the development be rejected. I have 2 children who would be reaching 18/19 around the time the development completes and I'd be concerned by increased availability of these destructive machines.
