RE: Mod2024/0593 - 132 McCarrs Creek Road CHURCH POINT NSW 2105

PLEASE KEEP MY DETAILS ANONYMOUS AND DO NOT DISPLAY MY NAME AND ADDRESS WITH THE SUBMISSION ON THE INTERNET.

I oppose the modifications due to inadequate parking on site. Creating an extra bedroom to the secondary dwelling will lead to more vehicles being parked on the nature strip from this residence, which will hinder pedestrian movement on a road that doesn't have infrastructure like paths for pedestrians which will create a a more dangerous risk for pedestrians as they will be forced onto the road into the path of oncoming vehicles. In fact the secondary dwelling currently provides no facilities for parking on site. Council must address these issues...

Please keep my name and address anonymous, thank you.
