RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

Powderworks road can be a problem accessing Mona vale road in the mornings. B line bus stop at Warriewood is usually full and the area doesn't have enough public transport to and from and transport hub. Many houses on powderworks have to either reverse in or out of their driveways and heavy traffic makes this close to impossible. If this development doesn't put in extra infrastructure to deal with these problems there will be a lot of accidents. Powderworks needs to slow the traffic down as geography is tricky.
