RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

I support the application for installation of court lights at Bareena Park Tennis courts because:

1. Lights will support sport physical and mental health benefits and fight obesity.
2. Less eye strain in poor light
3. Better use of scarce community facility
4. Working families and children will benefit from wider family-friendly hours
5. A local venue allows better access by walking and cycling, and generates less traffic on Northern Beaches roads.
