Ref IDAS1158140 - A-91619

Dear Tracy,

Further to our previous letter dated 8th December 2024 and our conversation we hereby enclose our Ground Water Assessment Report KD 2025/10 prepared by Katarina David Hydrogeology in response to RFI for additional information CNR – 75006.

Trusting the above is acceptable and in keeping with our discussion, kindly advise this extension can be granted.

Should you have further queries please contact the undersigned

Yours Truly

Construction and Management Service Pty Ltd

Michael Briscas

Director.
