RE: Mod2016/0324 - 43 Booralie Road TERREY HILLS NSW 2084

Re the local servo on booralie rd.

Appealing for the opening hours to not be until midnight. We already have a teen hoon problem in the area and would prefer our suburb not to become the place known as getting late night petrol and cars converging here.

It's the suburb of revheads as it is, if we could please keep normal suburban hours in our little village. There are also residential houses all around the servo so it seems really unfair as to how a midnight closing would affect them

Cheers.
