RE: DA2020/1597 - 67 Pacific Parade DEE WHY NSW 2099

Not happy with this proposal. It's going to create chaos with traffic jam and parking. There is already a huge problem. Many people who do not live in our block already use the visitor spot. Also, given that it's a boarding house this will devalue our place and devalue the whole area. Affordable living? Then build a decent block with 1 bed units, not 25 sq mt. hobbit holes and massive noise destructive communal areas!!! I'm outraged.
