

STORMWATER DESIGN CERTIFICATE

Project: Proposed New Dwelling

Location: 51 Quirk St, Dee Why NSW 2099

Job Number: V678

We, VTAA P/L, being a practising and professional civil engineer and a Member of the Institution of Engineers Australia, hereby certify that the stormwater design of the above project was followed the requirement of the Water Management for Development Policy from Northern Beaches Council and AS3500.3 .

The stormwater plans and details shown on the drawings V678-C11, V678-C12 and V678-C13 have been designed in accordance with the relevant Council guidelines and the relevant Australian Standards.

Yours faithfully,

Vinh Tran – Director/Principal Engineer
