Subject: TRIMMED: AUSTIN - OBJECTION TO DA2023/0720 EMAIL 1 of 2.
Attachments: DA2023-0720 Bareena Tennis Club Lights - Objection..pdf; Annexure A&B DA2023-0720.pdf; Annexure C part 1 DA2023-0720.pdf;

To: Olivia Ramage,

This email is 1 of 2.

Due to the file size of Annexure "C" it has been sent over 2 emails.

Email 2 has Annexure "C" parts 2 & 3.

Kind regards,

Danielle & Shaun Austin

BAREENA TENNIS CLUB EXTENDED TRADING AND NIGHT LIGHTS 9.45/10.15PM – Six Nights a Week.

In relation to the above application please be advised that we **object** to this Development Application. Our grounds for objection relate to the disturbance that would be generated should the application be approved, and this relates to noise, traffic and unwelcome lighting/glare.

Our family home backs onto the Balgowlah Bowling Club to the west and, from our home, there is a direct view (refer annexure “A”) and sound corridor to the Tennis Club and its courts. We are already negatively impacted from the daytime noise and parking issues (refer annexure “B”) of the tennis club and, as such, night lighting would have a further negative impact on the amenity and quiet enjoyment of our home.

We have considered the existing and proposed extended hours and note the following:

EXTENDED OPERATION HOURS:

- 1) Tennis Club extended operation hours in our residential area would mean it would be able to open approximately 100 hours a week:

3 days 7am to 10.15pm (15hrs 15mins x3) =	45hrs 45mins
3 days 7am to 9.45pm (14hrs 45mins x3) =	44hrs 15mins
1 day 7am to say 5pm (10hrs x1) =	<u>10hrs</u>
Total	100 hours per week.

- 2) This is 39 hours a week more than the Westfield shopping center at Brookvale which currently operates for a total of 61 hours per week.
- 3) Council’s Environmental Health Referral Response (refer page 2) – Industrial Use report does not support lights due to concerns of 1) Light spill and glare, 2) Noise from players and tennis balls. Quote - “We consider proposals impact as “industrial” development impact within a “Residential area”. Additionally, Council’s Environmental Health Referral Response cites further

negative issues relating to extended operating hours and no acoustic report undertaken.

- 4) The Tennis Club lease under clause 5 (under q & r) states playing from 7am until sunset and it shall not use or install any floodlights. These conditions were put in the lease to protect residents from glare and night noise and to mitigate disturbances to adjoining and nearby residents. We wish for these conditions to be upheld by Council and in this regard for it to remain in any future Lease granted to the club.

LOCATION & LOCAL NIGHT COURT AVAILABILTY:

On a historical note, Bareena Tennis Club has previously lodge DA's for night lights and these DA's were refused by Council on a number of occasions since 1999, due to the negative impact they would have on residents and the proposed extended operating hours was not deemed necessary to service the demand as there was a surplus of other night courts available close by. This availability afforded at other courts has not changed since those historic DA submissions.

For example, there are approximately 30 tennis courts with night lights locally available within 5kms from this club with ample unbooked times availability.

For example: Wakehurst/Voyager Tennis Club runs 3 local tennis sites with 16 courts:

Upper Clontarf St, Seaforth - 8 Courts.	Lights available to 10pm
Koobilya St, Seaforth – 2 Courts.	Lights to 9pm
Kentwell/Pittwater Rd, Nth Manly – 6 Courts.	Lights to 9.30pm

We have noted that across those 16 courts, over the last two to three weeks there has been an average of 10 courts available at night and on some occasions all of the courts were available for night hire (refer annexure "C").

It is also noted the courts mentioned above are located in areas surrounded by bushland, commercial zones or located next to major roads compared to Bareena Tennis Club which is surrounded by family homes.

NOISE:

- Due to the topography surrounding Bareena Tennis Club noise echoes through the area to the front and rear of adjoining and nearby homes which includes at our home. As such, there is already noticeably noise disturbances during the day from balls hitting rackets/ground/nets/people, players cheering, coaches calling out, whistles blowing, children yelling, music playing, loud goodbyes from players, slamming car doors and associated traffic noise. This will be amplified at night and exacerbated without the daytime background noise. The anticipated heightened level of disturbance to our family and neighbours would be especially unpleasant in summer with windows and doors open more frequently.
- The Tennis Club's submission unreasonably relies on keypad access to the courts at night and, as such, there is no onsite manager to supervise and manage negative issues.
- The residents in this area have already experience a diminution in amenity [REDACTED]
[REDACTED]
[REDACTED]. Considering the Tennis Club's keypad access management plan, we foresee a likelihood of excessive noise during and after play in addition to the unwanted lights.

PARKING:

- Bareena Tennis Club does not provide off-street parking unlike other local tennis clubs that provide numerous onsite parking spaces for patron parking.
- Patrons to Bareena Tennis Club rely on street parking and this especially applies to Vista Avenue, therefore, the Club's patrons currently compete for parking spaces with residents in Vista Avenue as well as the mixed-use unit building in Dobroyd Road and this will be exacerbated by the recently approved 10 unit development at 29 Dobroyd which only provides 3 off-street parking spaces.
- Parking in this area is already problematic with Club visitors parking close to driveways, making it very difficult and dangerous for residents leaving and entering their properties. Additionally, club patrons frequently park

unreasonably close to the corner of Vista Avenue and Dobroyd Road causing a hazard by restricting visibility and if this was to continue into the night, the outcome could be devastating.

COMMENT REGARDING SUBMISSIONS IN SUPPORT:

In the Clubs submission they assert that most members will be walking to the tennis courts at night, however, we have observed on Council's website the supporting submissions are vastly represented (say over 90%) by people living in other suburbs as well as suburbs outside of the Northern Beaches. Also, this claim of "mostly walking" patrons is not supported by the existing parking issues experienced during the day and it is therefore deemed a fallacy.

It is also noted that a large number of the supporting submissions provide the same residential address and the same surname and therefore the number of supporting submissions is an exaggeration.

CONCLUSION:

Throughout the weekdays and particularly on weekends we are disturbed by noise emanating from the Tennis Club as well as from patrons arriving due to their loud and enthusiastic greetings of one another combined with their tennis victories or otherwise. Whilst all this noise is mostly good natured, please make no mistake that it is a disturbance and the parking issues are annoying and hazardous. To extend the operating hours into the night, via night lights, would be completely unfair and an unacceptable burden on us and our neighbours.

Finally, the club members and patrons benefit from the quiet use and enjoyment of their homes at night just as we are permitted the same courtesy without it being deferred until late at night six nights a week.

In summary, please note our strong objection to this application.

Yours faithfully,

Shaun and Danielle Austin
