Reason for application and outline of proposed work

Request approval to remove a Lilly Pilly tree from backyard of property at 13 Tango Avenue Dee Why, due to concern that tree may fall on house and awning in a southerly storm.

We planted the tree approximately 30 years ago it is now about 10 metres in height and 5 metres from the house (2 metres from awning) and  $\frac{1}{2}$ m from easterly side fence. The tree roots have also grown under the ~~driveway~~ concrete slab.

Access to the backyard is from the left hand (east) side of the house.
